

~25<sup>th</sup> January 1999~

Mark's wife had recently given birth and it had been predicted by someone that it would be a boy. In fact it was a girl and Salumet therefore begins the meeting by talking about this and the nature of prediction in general:

**Good evening.** (General greetings)

**This time, I feel that I must give to you, some explanations, because of the confusion within your minds.**

Les: About the baby?

**Yes, I have decided that it best come from me, in order that this matter may be laid to rest.**

Les: Yes, we'd be very happy to hear from you about it, thank you.

**Firstly let me say this to you all: It also applies to the coming of the new child, but within your world, there are many communications, there are many communicators.**

Les: Yes indeed.

**All of you know and understand, that the soul decides for itself, when it should come into the human form. I have told you that many times a pact is made between the parents and the child, before any of you decide to inhabit the human form, have I not?**

Les: You have indeed — you've made it quite clear in the past.

**Each one comes to the human form, with the knowledge of what your life should bring to you. But each one of you knows, that those pathways are not always truly followed, that because of freewill, you have many choices in your lives.**

Les: Yes we do understand that and of course the freewill of the parents also, would have an effect on the potential child, wouldn't it?

**That is what I will come to. But firstly let me say this to you, why these many confusions occur? I would say to you my dear friends, unless information is given to you by those of us you call 'masters' —but which I would reserve my judgement on those words—those of us of ascended consciousness who give information, you may be assured it is correct, because of our wider knowledge.**

Les: Yes, we did talk amongst ourselves and say that the information did not come from you.

**Yes, so that is the first point to keep in mind, that is not to say that any communicator that you come into contact with, wants to confuse, wants to fool you, wants to deceive you; this I**

**tell you now is not so. But what they do bring to you my dear friends is the situation of the 'moment' and here we come to the crux of the matter, the situation of the *moment*. You all are by now well aware that *Time* is ever-expanding, that what was the thought of one moment ago does not exist now. Until you fully understand the complexities of *Time*, you will always remain a little confused. So I say to you this, my dear friends: When communicators come to you, they bring to you *truth*, as they know and understand it, at that *time*. And as *time* is ever-changing, ever-expanding, so do situations. Do you follow me thus far?**

Les: Yes we do, no queries on that, are there? (General agreement)

**Therefore, let me come to the child in question. At the time the communicator spoke to the gentleman, (Mark) there was much doubt and fear within the lady's mind.**

Les: You're absolutely right.

**And of course I have told you my dear friends, how powerful *Thought* can be. There you were told, a boy child was waiting and of course you know and understand that the soul has no gender as such. You fully understand this?**

(General agreement) **Are you sure?**

Les: Well, it has taken us some time to accept the possibility, but now I think we all do, don't we? (General agreement) Though we still think of the soul as partly he or she, because WE are humans, male or female, I think it's gradually sinking into our consciousness, that the soul has no gender, as you say.

**The soul has no gender, therefore, *therefore* the communication between male and female energy upon the Earth, is of much importance. But it is not of overriding importance—that belongs to the soul. Each one of you has male and female energy, you understand this?**

(General agreement) **Because of the doubt and fear within the mother and the time-lapse of the communicator and the actual conception of the soul, change was made. The soul decided that the opportunity would be best left to another time. There *WILL* be a boy child.**

Les: I thought there might be. (Chuckles) Thank you.

**Please accept my words as being true. Please do not remain confused. The opportunity was there for another soul and because of the situation and the period of time between communication**

**and conception, the soul decided that it would take form mainly as female energy.**

Les: Am I right in thinking that the soul in doing that— (*Les begins to channel*) **was aware that mother, would have greater affinity with that soul, (Yes.) than she would have done, had it been a boy?**

**Yes, this is where the difficulty arises, that you have to understand each of yourselves as energy without gender. There comes a time to make the blending for the right conditions of the soul. Can you understand this just a little?**

Les: I can, can you Mark? Because I think the basic structure of what has been said, is that unknown perhaps to Isik, (*Mark's wife*) there was still a latent fear within her, about the delivery of a boy.

**There was fear about any delivery.**

Mark: Yes, I was going to say, there was no need for her to know that there was a sex at all, if there was going to be fear of it maybe, I don't know.

**No, the fear and worries come from another time. This is a complicated, not as simplified as I would like it to be for you, but it is important that you understand that no mistakes, no deceptions lie here.**

Mark: Right, because presumably there wouldn't have been time to actually let us know. The only thing is, it was a little embarrassing, because I told everybody at work, thinking it was true, you see.

**You must realise my dear friend, that you have learned a great lesson. You should always be more careful, you should think deeply about the matters I have taught you, and then these things would not be so strange. I have said that each one of you has a pathway in life, that each one of you comes to these human forms, with a purpose, but because of your freewill many changes happen. Life is ever-changing and until you fully understand the complexities of Time, I feel it will be a little difficult for you to know, that the communicators who come through to you, *come to help*, not to confuse. But they can only give to you, the knowledge that they have attained and the vision that they have. That is why I say to you, only if one of *ascended consciousness* speaks, do you *fully accept* that this can happen, without any difficulties, because their knowledge is far greater.**

Mark: Thank you, I wouldn't want to appear ungrateful, (*No.*) I'm very grateful for all the wonderful knowledge that has come through. **You have known one of life's experiences now my dear friend, it may have brought you confusion and embarrassment, but may I say gently, this has been of your own making, you understand?**

Mark: In that I talked about what I'd heard, yes, (*Yes.*) but we are encouraged to do that. **Yes of course, on the basis of knowledge, but not of prediction. There are many in your world who will give you predictions, but can I say that most of you in this world will have been told something that does not come to fruition.**

Les: Yes, you're absolutely right, so far as I'm concerned.

**But it is difficult for you to understand this I know. Again I will repeat to you, unless it is given to you by one whom you call a *master*, then you must realise that any information given, which lies in what you call your future, can alter. Time is ever-changing, situations are changing, the cosmos is ever-expanding therefore nothing stands still.**

Les: Because of those changes, the duties of the soul required upon this Earth at any particular time, obviously are going to alter, aren't they? And the requirements are going to alter— **How many times have each one of you said, 'I will do this sometime in the future,' and it does not happen? (*General agreement*) If you try to simplify it for yourselves and realise the power of thought—and remember the soul, the unborn soul, has much greater vision than you, upon this Earth. It can see the situations change, it can see the change amongst the physical bodies, the physical being, the physical thinking. Therefore, you have to give that soul—the purpose and the knowledge it brings...you have to allow it to come, knowing that it's consciousness is greater, whilst in that ungendered state. Do you understand each one of you, what I say? (*General agreement*)**

Les: And Mark, particularly remember what was said about the soul of the boy was waiting— waiting can be indefinite.

**Again we return to the complexity of Time. I do not think he fully understands, but I know that much happiness awaits him.**

Mark: Thank you.

Les: That's nice to look forward to Mark—and Isik, *(Yes.)* that there *is* a soul waiting. But don't put a definition of *Time*, upon the waiting. And as Salumet so pertinently says, never predict; even if you have been given a prediction, doesn't mean you have to pass it on—keep it to yourself. I'd like to add a little bit that's relevant. When I used to work so frequently with Ruth, we had a lady whose daughter was pregnant. She was anxious to know what the child would be and a communicator through Ruth, said wait a minute, I'll try and find out and after a minute or two's wait, she said I'm sorry, I'm not allowed to tell you, but my own comment to you, is it wouldn't be a bad idea to buy a football. It turned out to be a boy, who was madly keen on football. But that was the communicator's *personal* comment, and that was made quite clear.

**There also has to be some realisation, that many communicators are themselves being fed information from many sources. Therefore, you have to allow for all of these things. Certainly I would say, knowledge and truth given by communicators, is mainly acceptable, because it is that truth, at that moment in time, but the difficulties do come when they are telling you of forthcoming events.**

Mark: Then I would say that perhaps these people should couch their offerings in terms of, '*at this time— it may change,*' *(Yes.)* because then one wouldn't feel tempted to talk to people about it. *(Yes.)* Or if one did, one would be covered, as it were.

**Yes, again my dear friend, I know and acknowledge what you say, but in communication, you have to understand that the communicator also is working for the good of others, and does not mean to cause hurt or resentment in any way, but they are also operating through their free wills. Can you understand? *(Yes.)* It is difficult I know, and I hope that the wider issue is understood by you all. We hear so often and you are right to say, that it makes you *feel* that what is given—and I will use your word, '*rubbish,*' but my dear friends, that is not the way to proceed. It is a lack of understanding that is the problem when we are dealing with human issues.**

Les: Thank you very much for all that. Anybody any question on it, anything you're not clear on, because I know Salumet wants it put to bed finally. *(Pause)* Everybody happy about the

explanation? *(General agreement)* And if we are honest with ourselves, we must say that the information which is given, has been given to us in the past a number of times. How many times have I said to you, if you have half a dozen descriptions of a holiday, you'll have half a dozen different descriptions, all of which to the person giving that description, is an honest endeavour at the truth. Always keep that in mind.

**You see, the communicator at that moment in time, knew that the soul was waiting for the opportunity to be born, but at that moment in time, as was said, the male energy was the overriding factor. But in the interim, those happenings changed. If conception had happened in that moment, then you would have no doubt, that that male energy would have shown itself. Can you understand? It is a complex subject; we have the soul, we have the complexities of time, we have the limited knowledge of communicators and all of these things cause much confusion in your world.**

Mark: So there wasn't an over-statement of the sex of the child? My confusion is that it doesn't quite seem necessary to state the sex, if it's uncertain—

**But it is not uncertain, there *is* a boy child who will show himself to you. The timing this time was not right; perhaps that simplifies it for you. No, what was given to you was not incorrect, what happened, was that situations, fear and Thought and many other factors have changed that.**

Mark: And would you say that it was all meant to be as well? The thinking that it was a boy, was actually helpful in some way?

**It has been a lesson for you my dear friend, in jumping to such conclusions and not thinking of what has been given to you in the past. By not analysing and realising what I have taught you, you my dear friend, jumped to conclusions. Do you understand? *(Pause)* No, we still have confusion, do we not?**

Mark: I'm still a bit confused, yes. Maybe I could have—you can't say that it was six of one and half a dozen of the other? That the message wasn't terribly clear and that maybe I didn't think of all possible outcomes?

**I understand the confusion that you felt, in having such a communication, of course we do. But what you have to understand is that when things do not work as you so desire—and this**

**happens many times in your lifetime—you have to understand that these situations are not as clear-cut, as you would wish them to be.**

Mark: I certainly understand that now.

**Yes, you could say the communicator was wrong, but I do not wish to say that.**

Mark: I don't want to say they were *wrong*, but—**But you feel they should be more reserved, yes?**

Mark: Possibly, it was a little ambiguous, maybe a bit too ambiguous.

**This is what happens I have to tell you, and as you know, many communicators and I am sure this good friend will explain to you, can become over-enthusiastic in their communications. But it is not because of any desire to confuse or deceive.**

Mark: No, that's important to know.

**But what you have to understand, that there were complexities of many things and the overriding fact, remains with the soul. Energy and time are two things, which you will always find difficult, but which I hope we slowly can bring to you, in some form of understanding. I fully understand that you all were confused. But bear in mind in any communication, which I believe you say '*forecasts*' the future, is always liable to some flaw.**

Les: Yes I would like to back-up what Salumet says about that, I think it's highly relevant you should all know it now. Years ago I was told we would have Direct-Voice Communication, you know what that is, don't you? (*General agreement*) It's never happened. Some years ago—and I didn't tell anybody but those in the circle—but some time ago when it hadn't happened, I asked the reason and I was told there were many factors operating to prevent it. Particularly, there were those on their side, who considered that it would not be appropriate at this time, full stop. Now, add to that the fact that Salumet has given us the invaluable knowledge that he has given us, and you I hope have absorbed it to the greatest of your ability, but you would not have had that opportunity, had direct voice been given. You follow? I was disappointed at not having direct-voice—I don't mind admitting it, but obviously my desire for it, wasn't right. But I've never for one moment regretted, that the time has been given, to your development and mine, in another way. So far as I can see, it will be more beneficial for everybody, because you will have heard repetitive voices, but

you would certainly not have got the information, the *deep* information and *insight* that we have had, that we've been fortunate enough to have, because of the time available in which to have it. So I imagine now—I would never have done so, but I think the time is right for you all to absorb what I have said and accept that we are merely an insignificant part in the scheme of things.

What we want, what we'd like is not necessarily what is *right*, for the overall development of the soul. Any questions? I apologise for interrupting Salumet, but I felt it was quite important.

**No, my dear friend, you find words, which do not always come easily to me. You understand the language. I know what I would like to say, but I know also that the capability of you all is limited. And this is the strongest barrier between us that we find it difficult to tell you in simple terms, many, many deep matters, but it should become easier, as your own consciousness grows. You will understand situations, which at one time would have left you confused, but as I have said and I will repeat before I leave you, unless information comes from one of *ascended consciousness*, then you must realise and understand, that the whole of *life is changing*, moment by moment. That is the difficulty, that those of limited knowledge, those who see a little further than yourselves, but also are limited in their knowledge, can give to you information, which to them at that moment in time, is correct—that is what you must remember. But I do understand your human feelings of confusion and I say to you my dear friends, put aside your human emotions and bring forth spirit, and in doing so you will better understand the way of spirit. I hope this time I have helped you to understand. I did feel it important that I myself bring to you the explanation, in order that you can clear it for yourself, within your own thinking. I will leave you all this time; I want you perhaps, to think upon my words once more and try to see the wider, wider scope of your thinking. I leave you all, I want you to know, that I am always with you. (*General thanks + farewells*)**

Les: Just going back to direct voice, to finally put a cap on it — yes I was disappointed, I had to accept that it was not going to be and I also had to accept, that had it happened, it would as I have said, repetitively taken voices from the other side, of those very close to us, *NOT*

masters, they would never come through. So which is the more advantageous for the group as a whole, repetitive communication, which is very nice and a bit of laughter and so on, personal information —(One then slipped in as Les channelled:) —**or the depth of spiritual development, which you have had. We know about the disappointment of this one who speaks to you, we know too now, that in his enhanced spiritual awareness since you have had the master teaching you, he is glad that what was promised, did not in fact occur. He knows that your spiritual development has far exceeded what would have been possible in the time available for instruction, had direct-voice communication been permitted. Therefore, if I may suggest to each of you, if a physical disappointment is of concern to you, please, please always look for a spiritual background to that disappointment. Is this clear? (General agreement) Then I wish you farewell my friends. God bless you, give you enlightenment and lessen the impact of any physical disappointments, you may receive in your life upon this Earth.**

George: We have received great gifts, God bless you.

**Thank you, I'm glad you look upon it as a gift. It is rewarding to those who come to teach, to give of their knowledge freely, in the hope that you too, may eventually aspire, to the beauty of the enhanced consciousness, which they bring with them. God bless you all my friends. (General thanks + farewells)**
