

Salumet 1st July 2024

We were a small group this time, with just 4 in the room (including Eileen), plus 2 joining on Skype. Healing prayers included thanks for the release of the award-winning journalist Julian Assange, after so many years of harsh imprisonment. Also, for the brutal wars and lack of peace throughout the world. To our absolute surprise and delight, Sabine noticed Eileen's hands move out in the familiar way that only happens when *Salumet* is with Eileen—audio link:

Sabine: Good evening *Salumet* and welcome.

Good evening.

All: Good evening.

It is good to join with you this time.

Paul: We're delighted to have you back!

I know how much unhappiness and illnesses have created within you all a fear, but I hope our *Love* will bring to you all great support and we wish you to know that we are with you *always*. We thank you for all the *Love* you give to others. I wish to tell you that the new generation in your world—many kinds of *Angels* that you have not until now been aware of, but they will bring to you *peace* and *harmony* and much *Love* to all. (Thank you) The children that you have raised have incorporated into their lives much *Love* and we wish that they, especially those children who came to you first, that they will bring with them—know that they are almost grown—know that they will bring with them the kind of *Love* that is needed by you all. So, I hope to say that these few words that I bring to you will bring much *peace*, much *comfort*, much *Intense Love* that you have not felt before.

All: Thank you!

Paul: Yes, it's difficult to see through to peace when there's so much war.

Yes, but you must be strong, you must not dwell on the words even. We are *always* with you.

Mark: I feel so much gratitude towards you and it's so lovely to hear it again from you tonight—thank you.

It is us who should thank *you*, my dear friend. So much is done that you are not aware of, but can be used in *Spirit world*, for the betterment of men and women and children. Therefore, I will take my leave as this was not planned for this evening, but I felt that it was necessary for you to hear my words.

Mark: Thank you, it's always such a help, such a blessing.

Paul: Yeah—we know we've got so much in the transcripts to read and revisit, (**yes**) but it's so lovely...

The day will come when no words spoken or otherwise will bring you the same comfort. But stay strong, continue to *Love* your fellow man and also continue to *Love* yourselves.

Paul: And not to dwell on the war, but to almost see the *Peace* on the horizon?

Yes, you can only do what you feel and for this I am always grateful to you. (Thank you)

Paul: And we understand that the new generations, with angelic help and everybody's input, we'll get there!

Just remember the *Power of your Love*. (Yes) It is easy to use words, but actions will be stronger for this time. I take my leave of you my dear friends and I cannot express to you the joy it brings to me to have been acquainted with you all. (Thank you)

May the Great Force of *Love* and *gentleness* and that *Great Power* will bring to you many changes. (Thank you)

Paul: Our *Love* is with YOU and we *Love* you—it's been such a privilege for us—it is such a privilege for us all.

Mark: Yeah—beautiful upliftment. (Wow!)

Notes:

These words chosen by Salumet tonight, connect with previous information given about millennium children and coming later, from about 2016 onwards, the Children of Peace, increasing the vibrations of Love, to such a degree that the whole world will be touched, gradually transitioning away from fear, wars and greed, towards Love, peace and harmony. It may seem hard to accept with wars and a lack of

diplomacy amongst leaders, but a new generation of diplomats and ambassadors for Spirit are coming soon to help calm things down.

Salumet tells us tonight that these children are **'almost grown'**, implying that their great influence has already began.

Millennium children: Salumet 20/01/2014:

So much has been said and written about what you call **'millennium children'**—that they have come with special spiritual gifts and so forth. I would like to say that at this time in your earthly evolution—that all people, not only *millennium children*, take great pleasure in coming to this world at this time. Because we have amongst them so many wise *Souls*, these children will grow and provide the knowledge and the wisdom of *Spirit*. They feel honoured that they have been given this opportunity.

Children of Peace: Salumet 17/10/2016:

Throughout the world these children will appear. They will become known for their *peace* and their skills of being able to talk and calm. Let there be no mistake that this is a great gift from *Spirit*, but I wanted all of you, my dear friends, to know of this knowledge now... There will be in every country throughout your world one of these children...

Salumet 21/01/2019:

I have told you that the children who will be coming soon will bring a great change to your earthly world. There will be seen in these children a beauty and a strength not yet seen, and after all, they will be the ones to continue to help with the expansion of *all knowledge*. So, take note, my dear friends that you must take any opportunity to help young people, to listen to them, and to speak to them only the *Truth* of the *Spirit*. It is indeed a heavy burden for those of you who at times feel despair of your world, but again I say, do *not* despair, allow the *Love* that you feel at times when you are together, allow that strength and *Love* to support you and uplift you all of your lives...
